This package contains

1. GM10XS PCP Air Rifle 2. Single Shot Tray 3. Fill Probe 4. Instruction Manual

This airgun is recommended for adult use only. Misuse or careless use may cause serious injury or death. May be dangerous upto 500 meters.

Airguns with muzzle energy less than 20 J or 15 Ft. Lbs are exempt from licensing as per Arms Act. However, do not brandish or display this airgun in public - law enforcement personnel and others may think it is a fire arm.

Contains no user serviceable parts. Do not disassemble.

Use only compressed air in this airgun. Do not use any other gases.

REMEMBER TO ALWAYS TREAT THIS AIRGUN AS THOUGH IT IS LOADED AND WITH THE SAME RESPECT YOU WOULD TREAT A FIRE ARM

SAFE USAGE :

- i) ALWAYS treat the air rifle as though it is loaded and ready to fire.
- ii) ALWAYS store the air rifle unloaded and away from children.
- iii) ALWAYS aim the air rifle in safe direction.
- iv) ALWAYS keep the muzzle of the air rifle pointed in a safe direction.
- v) ALWAYS keep the finger off the trigger and out of the trigger guard until ready to shoot.
- vi) ALWAYS wear shooting glasses over reading or prescription glasses.
- vii) ALWAYS place shooting backstop in a location that is safe.
- viii) ALWAYS use correct size ammunition in your air rifle.
- ix) NEVER reuse ammunition.
- x) NEVER shoot at hard surfaces or water.
- xi) NEVER attempt to disassemble or tamper with air rifle. This will void the warranty of the air rifle and also render the air life dangerous to use.
